WELL-BEING WITH STYLE

The 'LifeStyleZentrum', a place for relaxation and recuperation at the most atmospheric address on Lake Wörthersee. The unique views and special atmosphere enhance the effect of the treatments.

Our beauty experts and masseurs will pamper you with valuable products from the COSMÉTOLOGIE and DECLARÉ cosmetics ranges. Soothing oils and essences provide the ultimate relaxing experience. The high-quality cosmetics penetrate deep into the skin, leaving it firmer and regenerated.

We would be happy to support you and help you choose a suitable well-being treatment. We look forward to pampering you!

FACIAL TREATMENTS

Please consult our colour-coded system to help you choose a suitable treatment:

-  Youthful skin, skin with impurities
-  Sensitive skin
-  Dry skin
-  Mature and challenged skin

Young Care

A basic skincare treatment for our younger guests (up to 18 years old), specially adapted to the requirements of youthful skin. This treatment includes a cleaning, peeling with steam, deep cleansing, soothing mask and final skincare treatment.
60 mins € 78

Special for You

If you are unsure which is the best treatment for you, simply book some extra time. We would be happy to advise, following a careful diagnosis of your skin. This involves a personal skin analysis and advice using products and treatment methods/devices adapted to your complexion e.g. ultrasound and radio-frequency. This treatment involves a concentrated active ingredients ampoule (hyaluron, vitamin C), a valuable serum, relaxing facial massage, deep-penetrating mask and revitalising final skincare treatment.
90 mins € 122
110 mins € 148

Men Relax

The optimal relaxation for men's skin. This treatment includes a soothing back massage and a facial treatment with a cleaning, peeling with steam, deep cleansing, facial and head massage, mask and final skincare treatment.
90 mins € 119

COSMÉTOLOGIE FACIAL TREATMENTS

Valuable ingredients such as grapeseed extract, natural vegan ingredients and plant-based active anti-ageing substances promote biological cell regeneration. The COSMÉTOLOGIE natural cosmetics range represents years of experience in the field of exquisite beauty treatment.

Structurfacing

A protective, manual user method for mature and challenged skin. A natural skin lifting effect is achieved based on a special sequence of steps – including a fruit acid/enzyme peel, manual lymphatic drainage with concentrated ampoule, bio-energetic connective tissue massage and collagen non-woven mask.

90 mins € 128

Feel Fresh

A constructive moisturising treatment which reduces fine lines caused by dry skin. The skin is moisturised and refined. The cleaning is followed by a skin peeling with steaming, deep cleansing and a beneficial hyaluron ampoule. A soothing facial massage and moisturising mask complete this treatment.

90 mins € 118

Better than Botox

An active lifting treatment to make the contours of the face appear firmer. The cleaning is followed by a clarifying peel and effective facial and décolleté massage with a firming gel. The following constructive mask and lifting day-care treatment are the perfect finish to this treatment.

60 mins € 98

DECLARÉ FACIAL TREATMENTS

DECLARÉ – this renowned Swiss cosmetics range specialises in sensitive and delicate skin which requires particular care. This plant-based range of cosmetics using active ingredients improves the skin's barrier, boosts resistance, reduces irritation and sensitivity and actively protects the cells to help prevent the premature formation of fine lines.

Stress Balance – Strong & soothing on your skin

An effective treatment for particularly sensitive skin e.g. red, irritated or itchy skin. Special active ingredients are used to quickly improve the skin's own functionality as a barrier. Any moisture loss is replaced and any unpleasant areas of redness or tension reduced. The cleaning is followed by a gentle peeling. The treatment is then completed with an anti-irritation serum and soothing mask, following a nourishing facial massage and ampoule. Finally, a protective eye and day cream complete the treatment for a relaxed and radiant complexion.

60 mins € 98

Vital Balance – Energy cocktail for your skin

This treatment is ideal for tired skin which needs a boost. The active ingredients in the Vital Balance treatment balance out any areas of uneven appearance and give the skin renewed energy and vitality. A constructive and balancing skincare treatment

based on a special cleaning, soft peeling, cleansing and massage with a nourishing multi-vitamin cream. The treatment is completed with a skin revitalising concentrate and power duo serum with associated cream.

90 mins € 118

Caviar Perfection – Luxury care for your skin

This luxury treatment is enriched with valuable caviar extract, the world's most intense nutrient for challenged skin. Savour the wealth of minerals, trace elements and vitamins in this black gold which acts as a modern anti-wrinkle agent. In addition to a cleaning and peeling, this treatment can also include a cleansing and deep lifting ampoule, if required. A facial, neck and décolleté massage with a rich caviar extract nourishing cream and caviar immediate-effect firming mask leave your skin looking pampered and radiant.

DECLARÉ
SWITZERLAND

FACIAL TREATMENTS

Experience a deep impact with visible results through the application of the Lymphodrainer, ultrasound or radio frequency treatment paired with products from COSMÉTOLOGIE and DECLARÉ.

Lymphodrainer

A detoxifying, purifying treatment which improves the blood flow. Leaves your skin perfectly prepared for the following treatment. 40 mins € 47

Ultrasound

A firming skincare treatment which breaks down fat. Can be used to treat couperose, large pores, acne through deep cleansing and pigmentation disorders through lightening of the affected skin. The long-term effect is enhanced by the infiltration of active ingredients into the skin. 30 mins € 49

Radio-frequency

Stimulation of connective tissues, firming of the skin, reduction of wrinkles, formation of new collagen and elastin. 45 mins € 75

Each treatment includes a cleaning, the relevant device, the product and final skincare treatment.

BODY TREATMENTS

Ultrasound

The metabolism boost for visible success at a rapid pace. Targets cellulite, firms and detoxes the skin and breaks down fat and blockages. Each treatment includes the Lymphodrainer, a product adapted to your skin type and an ultra-sound treatment. 60 mins € 99

Radio-frequency

An effective radio wave-based treatment to firm the connective tissues. The use of optimally adapted radio wave frequencies boosts cell renewal and the production of collagen fibres by creating deep warmth. The result: reduced wrinkles, cellulite, stretch marks and sagging and a visibly firmer and more radiant skin. The treatment includes the Lymphodrainer, radio-frequency treatment and product adapted to your skin type. 60 mins € 109

Body peeling and sea algae detox pack

Algae stimulate the metabolism, detox and purify the body, firm the skin tone and stimulate the blood flow. 60 mins € 78

BODY PEELINGS

Body peelings intensify detoxing. Dead skin cells are removed through mechanical microcirculation. The skin is left more able to absorb active ingredients and tans more evenly. A perfect combination when followed by a massage or before or during a sauna or steam bath session.

Sel de Mer Thali

Hydrating full-body peeling with valuable aloe vera. 20 mins € 49

Sel de Mer 3 Tea Gommage

A peeling which stimulates the metabolism based on 3 exquisite tea varieties. 20 mins € 49

Sel de Mer Africa

A fruity salt peeling with ginseng, grapefruit, orange and papaya. A fruit cocktail for the beauty zone. 20 mins € 49
