The art of enjoying

Surrounded by a beautiful scenery and inspired by impressive art, your vacation at Schloss Seefelds will be absolutely pleasurable.

More than 200 artworks from the Essl Collection and the Haselsteiner private family collection transform the Schloss in an *HOseum*, a unique combination of a 5-star luxury hotel and a museum. In the lobby, in the restaurants, in the Schlossbar, in the rooms and suites you will enjoy the artwork of great contemporary Austrian and international artists.

Have a pleasant vacation time – as colourful, opulent and extravagant as the work of art at Schloss Seefelds.

Yours sincerely
